MOTION BY SUPERVISOR YVONNE B. BURKE

JUNE 18, 2007

Family Place Libraries create opportunities for promoting literacy and fostering development skills for our youngest population. Family Place centers provide a welcoming space for babies, toddlers, and parents to access resources and materials that emphasize reading readiness and parent education, as well as developmentally appropriate programming with experts in the field of child health and development. Family Place has successfully demonstrated that good health, early learning, parent involvement, and supportive communities play a critical role in young children's growth and development.

**I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS** direct the Chief Administrative Officer (CAO) to transfer \$120,000 from the Provisional Financing Uses (PFU) budget to the Public Library Department's budget for expansion of the Family Place Program at the Compton, Culver City and Lawndale Libraries.

**I FURTHER MOVE THAT THIS BOARD** direct the CAO and Librarian to jointly report back, prior to supplemental budget changes in September 2007, with the status of progress made toward such expansion.
